

Visualize!

"A picture is worth 1,000 words."

- Did you know you can get those pictures in a click of a button inside **CaseMetrix**? All you have to do is run a Search and look in the top right hand corner of the results page. You'll see a bright orange button that says "Visualize".

- Each of the selections instantly generates pictures of your data and gives you insight into their meanings.
 - **Case Valuation** - provides a graph of all the values found within your search. You can also **enter a current offer** and see **how it compares to the average and median**.
 - **Compare Settlements & Verdicts** - see immediately whether filing suit leads to higher resolution amounts. **Sometimes it doesn't**. You can also see verdict values.
 - **County Case Distribution** - Don't guess which counties are associated with better results; the map shows them to you along with statistics.
 - **Comparisons** - see how other factors like **prior related injuries, DUI citations and mediation** impact settlement values.
